Class Prices and Producer Prices 7

CME Dairy Prices Drop Sharply in March

Dairy commodity prices on the Chicago Mercantile Exchange (CME) in March are sharply down.

On March 31, the barrel price for cheddar cheese on the CME of \$1.20½ per pound was down 38½¢ from last month and nearly 40¢ below a year ago. The barrel price has not been this low since January 2019, and prior to that in July 2009.

The CME price for 40-pound blocks of cheese on March 31 was \$1.33 per pound, down 39¼¢ from a month ago and more than 30¢ below last year. The block price has not been

lower than this since May 2016, and then previously in December 2010.

The CME butter price on March 31 was \$1.33½ per pound, down 39¢ from a month ago and 92¢ below a year ago. The butter price is at its lowest level since May 2012.

The price of CME nonfat dry milk (NFDM) on March 31 was \$0.88½ per pound, down 18¢ from last month and nearly 8¢ below last year.

On March 31, the whey price on the CME was \$0.33 per pound, down 1¢ from last month, but fractionally above last March.

Chicago Mercantile Exchange -- Selected Dairy Commodity Prices *

* Prices depicted are per pound for each day that trading occurred from March 1, 2019 through March 31, 2020.

Pool Summary

- In February, producer milk totaled 2.2 billion pounds, up 7.5% from last month on a daily basis, but 22% below last year, when adjusted for leap year. The changes resulted from differences in the volume of milk not pooled.
- Class I utilization was 212 million pounds, down 5.0% from January on a daily basis and 5.9% below last year when adjusted for leap year. In

February, Class I use was 9.4% of producer milk.

- In February, the Producer Price Differential (PPD) was \$0.06 per cwt.
- The F.O. 30 Statistical Uniform Price was \$17.06 per cwt., down \$0.27 from January, but \$2.84 above a year ago.
- Market statistics for February are shown on Pages 4 and 5.

February 2020 Producer Milk by Class

	Percent	Product Pounds	Price \$/cwt.
Class I	9.4	212,020,330	19.35
Class II	7.7	173,050,598	16.84
Class III	75.4	1,694,823,717	17.00
Class IV	7.5	167,591,742	16.20
Total		2,247,486,387	

Upper Midwest Order-Sources of Producer Milk

During December 2019, 80% of producer milk was received from Wisconsin, with 13% from Minnesota (See Table 1 below). The remaining producer milk, about 7%, was primarily received from Illinois, Iowa, Michigan, North Dakota, and Nebraska.

In addition, a small quantity of milk was pooled on the order from each of the states of Indiana, Kentucky, Missouri, South Dakota, Ohio, and Oklahoma.

Producer milk in December 2019 totaled 1.8 billion pounds, down 1.1 billion pounds from the previous year because of a jump in the volume of eligible milk not pooled due to class price relationships.

The number of counties from which producer milk was received, the number of producers, and pounds of producer milk represented by each state in December 2019 are shown in Table 1. In addition, the percentage of producer milk represented by each state is shown for December 2019, 2018, and 2017.

The map on Page 3 depicts the states and counties from which producer milk was received in December 2019.

The 15 top counties from which producer milk was received in December 2019 are shown in Table 2 on Page 3, along with the number of producers and pounds of producer milk represented by each county. The rank, number of producers and pounds of producer milk for

those same counties for December 2018 are also shown.

All of the top 15 counties in December 2019 were in Wisconsin. The makeup of the top 15 counties, however, was somewhat different than a year earlier. The counties ranked 12 and 14 in December 2019 were not in the top 15 in December 2018. There also was significant shifting among the counties that remained in the top 15 in both years, with only 3 remaining in the same position in both years.

The top 15 counties supplied 47.4% of total producer milk on the order in December 2019, and accounted for 34.4% of the producers.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at http://www.ascr.usda.gov/complaint_filing_cust.html and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov.

USDA is an equal opportunity provider, employer, and lender.
