

MA Dump Form Instructions

This form is in an electronic format that will allow users to input data, print, save and submit it to the MA office.

Handlers may print a paper copy of the completed form, then fax or mail it to the MA office. Another possibility is to save the completed form, then email it to the appropriate MA office. The user will need to have, at a minimum, a reader version of PDF software.

Adobe offers a PDF reader that is free and can be found at the following link.
