# Members Named to National Dairy Board

The U.S. Department of Agriculture has recently announced the appointment of eight new members and reappointment of six incumbents to the National Dairy Promotion and Research Board. Thirteen of the appointees will serve three-year terms ending October 31, 2016. While one of the appointees will serve a two-year term. The list below shows the current 38 members of the national board. A map showing the 12 regions is shown on Page 3.

The National Dairy Promotion and Research Board, established by the Dairy Production Stabilization Act of 1983, administers a coordinated program of promotion, research and nutrition education.
