TO: Handlers, Cooperatives, and Interested Persons

SUBJECT: Increase in Administrative Assessment Rate

The administrative assessment, as provided for in §1030.85 of the order, will increase from 6 cents to 8 cents per cwt. effective with milk produced on or after July 1, 2021. This increased rate will remain in effect until further notice.

I want to assure you that we have taken steps to keep our expenses down during the past year. However, the limited volume of milk pooled in many of the months since September 2019 necessitates this action. We will decrease the rate as soon as conditions allow.
